Visit our websites:

milwaukeepowersquadron.org

www.southwindmarine.com

Seamanship presents material applicable to both power and sail, covering such topics as the construction and functioning of a boat, the skipper's responsibilities, preparing the boat for use, handling and maneuvering a vessel under various conditions in close quarters and on the open water, rules of the road, anchoring, emergencies, and marlinspike/basic knots.

Building boating confidence and competence for safe and fun on-the-water adventures.
